

## 457(b) Plan Summary

Yeshiva University's 457(b) plan is a non-governmental, non-qualified tax advantaged deferred compensation plan. The plan is available to a select group of management or highly compensated employees. The compensation threshold is 140% of the Social Security Wage Base for the current year. For calendar year 2023 you must earn at least \$205,800 to be eligible to participate.
