The SCW Education Major offers two program options which are designed to lead to NYS initial certification pending completion of education major requirements and NYS requirements for Certification:

Early Childhood (EC) majors apply for Initial certification in Early Childhood Education (Birth-Grade 2)

Childhood Education (C) majors apply for Initial certification in Childhood Education (Grades 1-6)

The NYS Teacher Certification Exams are not required to graduate from SCW with an Education major.

The application is available on the Education Department website under the Resources tab. Late entrants to the major are required to meet with the Dr. Hirsch to plan their schedules.

Course #	Course Name	Credits	EC	C
EDUC 2130	Foundations of EC Education (Includes field work)	3	✓

1. The Education Department website includes detailed information about fieldwork and student teaching.
2. Teacher candidates will be placed by the Fieldwork Supervisor in local schools to complete their residency (i.e. Fieldwork and Student Teaching) requirements. Students are responsible for their own transportation to Fieldwork and Student Teaching locations.
3. Majors should complete their HEBR and JHIS distributions, as well as their General Education requirements, prior to student teaching since these courses may not be offered in the late afternoon.
4. Teacher candidates are required to take four training workshops: Identification and Reporting of Child Abuse, School Safety and Violence Prevention, Dignity for All Students, and FERPA training. Workshop registration information available on the NYS DOE website: <http://www.highered.nysed.gov/tcert/certificate/workshops-required-for-educator-certification.html>.
5. Teacher candidates are required to set up their TEACH account at the NYSED website <http://www.highered.nysed.gov/tcert/teach/>
6. Prior to fieldwork in the NYC schools, teacher candidates are required by law to be fingerprinted. Our certifications officer coordinates the fingerprinting and background checks. Candidates must meet with the certifications officer to set up their NYC DOE Personnel Eligibility Tracking (PETS) account and obtain clearance & directions for fingerprinting at any IdentoGO location. The

OSPRA 103 form should be completed at the time of fingerprinting.

7. Teacher candidates must successfully complete the following NYSTCE (New York State Teacher Certifications Examinations) exams at the level specified by NY State to receive initial NYS certification:
 - a. Literacy, Mathematics, and
 - b. Multi-Subject CST
 - c. Education All Students Test (EAS)

New York State Teacher Certification Examination (NYSTCE) program bulletins and practice exams are available and downloadable online at: <https://www.nystce.nesinc.com/>

The schedule for exam dates and registration deadlines are listed on the website.

Students who expect to teach out-of-state should also take the National Teachers Exam (NTE)

NYSTCE are not required for graduation from

8. The NYS DOE required Teacher Performance Assessment (TPA) will be completed during

Total Credits:

The 18 credit Education minor is designed to provide non-majors with a broad exposure to the principal ideas and trends in contemporary educational theory and practice.

The Education minor is appropriate for students contemplating careers in secondary education, fields that involve teaching, or those who anticipate working with children in clinical settings, such as speech pathology and audiology, Jewish studies, school psychology, or museum education.
