

VETERINARIAN (DVM)

play a major role in the health of our society by caring for animals and by using their expertise and education to protect and improve human health as well. It's likely that you are most familiar with veterinarians who care for our companion animals, but there is more than that one career to choose from if you decide to become a veterinarian.

: GRE

: 8+ (4 undergrad, 4 advanced)

: Doctor of Veterinary Medicine (D.V.M. or V.M.D.)
